Kick off your stag weekend with a juicy, prime steak dinner at a great venue right in the centre of Brno. Because we know the lads will feel saucy for more than just ketchup, we'll lay on a gorgeous exotic dancer who'll make sure the stag is thoroughly entertained for an extra cost – ask us for more details. Partial to chicken, fish or vegetarian food? No problem. We've got more delicious dishes to choose from. And of course, everyone gets a classic Czech dessert: baked strudel with lashings of fresh cream.
