

Brno Brewery Tour

Includes: excursion, traditional Czech dinner, 3 beers each, female guide

Approx. time: 2 hours

Where: city centre

Availability: whole year

Vienna may have Cafe Society, and New York has it's High Society, but Brno is the proud home of Pub Society. First of all, you'll get familiar how this liquid gold will be produced - we will show you a small brewery in the centre to know more about beer production. Then, of course, you will try 3 different exclusive Czech beers made directly in this brewery, followed by traditional Czech dinner. Cheers or Na Zdravi !
